- Cars and vehicles up to 12 passenger vans can be rented or borrowed, but drivers must be at least 19 years old (some rental agencies require drivers to be 25). For Young Life groups, additional insurance is available for vehicles carrying 12 or less passengers through Young Life at a daily insurance rate. This eliminates the need to buy rental agency insurance. You will need to fill out a driver questionnaire and inform the Young

Life Service Center of your intent to rent or borrow a vehicle. Please refer to Young Life Policy/Procedure Statement SAFEMAN 301 & 302 and memos regarding 15 passenger vans for complete information. This Insurance covers Liability and Comprehensive Coverage.

FROM SEATTLE TO EGMONT

- It is approximately 240 miles one way from Seattle to Egmont.
- For better availability, reserve rental vehicles as soon as possible. It is recommended to begin making reservations in February or March, especially for vans as they are in high demand over the summer.
- Price quotes are estimates projected for the summer and are subject to change.
- All prices reflect corporate rate where applicable. You will need to give the agent the Young Life account number when making reservations.

Rental Cars

Rates are approximate and reflect a 9 day rental of the largest passenger vehicle carried, unlimited mileage, tax included, and picked up at the Seattle Airport unless otherwise mentioned.
