Diane Hideo, Area Director

Dear Prayer Partners,

It is just 3 weeks until 4 buses leave Howard County and head to a Young Life camp! The excitement is unreal! Everyday there are conversations about camp, who is going, who is still undecided, etc. Yesterday there were two messages on the office phone from parents, asking if their children could go on the trip! As of today, we have a handful of spots left for the Champion trip and about 15 spots available for the Windy Gap trip. Our Rockbridge bus leaves in 4 weeks and there are only 10 spots left! I am so grateful for the blessing we have seen from God and the incredible work that our leaders and campaigners have done this past year to make all this happen.

Our Alumni Bible study began last month and there have been around 25 coming each week. All Area Campaigners will begin this month. Last week a group of 18 students served as the work crew for the Capernaum Day Camp. Kristy sent me a message that said, "Thanks so much for letting me be a part of camp Capernaum it was an incredible experience I will never forget!! Cant wait until next year!!" Even though our weekly clubs have ended—great ministry is still happening!

As many of you know, we are in a deficit in the area and this month we made a concerted effort to get back on the right track. We raised over \$20,000, which was a huge help. As we enter July, we are still facing a deficit of about \$10,000. Please keep praying. We know that there are funds available. Pray we would contact the right people and businesses this month. In the past, we have received less funds in the summer months. Pray that does not happen this year.

In lieu of a calendar, I have enclosed a card for you to use this month. It lists the students who are going to camp, area prayer requests and camp prayer requests. Thank you for being part of something really big! And keep praying for the final students to sign up to reach our goal of 208!

Blessings!
