### Spring Thoughts From The Schauer matts

It's hard to believe that our son Jonathan is now 10½ months. He can sit up, crawl and pull himself up on things. It's exciting how Jonathan is continually growing and learning new things. We are so proud every time we see he has learned something new.

We believe that is the same for our Heavenly Father. He is so proud of us every time we figure something out and He is not content with where we are, but desires for continual improvement & growth in our lives. Philippians 1:6 says, "... He who began a good work in you will perfect it until the day of Christ Jesus." As we get older it's easy to think we know everything and there is nothing new for us to learn, but that's just not true. As we finish up this spring and see things around us growing, let it be a reminder to us to also grow. We are never too young or old to grow and learn and to please our Heavenly Father. Sometimes we even know when there are things we need to improve upon so let's embrace the opportunity.

# You were made for this.™

Did you notice the new Young Life logo and tagline? The logo points up to Christ and out to the world of kids; back to our past and forward to our future. It says YL but in a more abstract way, because for the increasing number of non-English speakers involved in Young Life, the letters "Y" and "L" won't mean very much. The colors are vibrant – like the kids we love. Our tagline begins with "you" because we are about relationships. We go out into the world of kids. We say "I see you, I care about you." It communicates grace and acceptance. The tagline points to our mission of bringing kids home to their heavenly father, yet it doesn't sound religious. The tagline is about experience, with a leader, at camp, with Jesus. And this tagline speaks to everyone – kids, of course, but also volunteers, donors and staff.

## Help Raise Funds for Lynnwood-Terrace Young Life!

It's been a challenging year raising funds for this ministry. Our fundraiser goals have been reasonable and based on what has been raised in past years, however every fundraiser this year has fallen short of our financial goals and needs for the ministry's annual budget. We are having to spend additional time planning and preparing for new fundraisers which takes time away from direct ministry. We are asking you to pray about helping in the following ways: In the month of May, participate in the Guitar Hero Fundraiser and/or bowl in the Bowl-a-thon fundraiser (find more info on other side of this news letter). Others ways you can help; become a monthly donor, increase your monthly giving and/or make a one time gift. If you would like to make a donation go to [LynnwoodTerrace.YoungLife.org](http://LynnwoodTerrace.YoungLife.org) or send your contribution to **Young Life PO Box 6486 Lynnwood, WA 98036**. Thank you!

### ~ Answers to Prayers ~

- This year we received another \$10,500 donation to help lower the cost of camp; as a result, we have already filled our camp spots!
- Last quarter we raised \$7,000 in one time gifts that was matched by a generous donor.
- Thanks to a few churches such as Mill Creek 4 Square, we have had the opportunity to share with church congregations about Young Life and about our need for more volunteers.

LHS student with our new leader  
Lindsay Hunter who is a LHS teacher.

### ~ Prayer Requests ~

- Students would continue to be impacted by Jesus Christ through this ministry; and that they would experience Christ's unconditional love.
- More leaders needed at all schools. Pray that leaders will make a 2-4 year commitment.
- We will raise our \$200,000 budget by Sept. 2008. \$51,000 still needed to reach the goal!
- The Lord would prepare the hearts of the kids attending YL & WL camp this summer.
