

There Are Lots of Ways Adults Can Help

1. **Become a Volunteer Leader** - Volunteer Young Life leaders work directly with high school students, building friendships with them and sharing their lives.
2. **Become a Committee Member** - The Adult Committee helps behind the scenes to ensure a high quality of ministry. The Committee's roles include publicity, prayer, fundraising, event planning, and much more. We are also hoping to form subcommittees around each of the main responsibilities of the committee.
3. **Pray for Young Life** - We believe that the work of Young Life begins and ends with prayer. We need dedicated people praying for us every day.
4. **Support Young Life financially** - It costs money to accomplish all of our goals. Your financial gifts help us meet our budget, which includes items such as camp scholarship, club and activity expenses, office supplies, leader training, and more. You can learn more about our budget and our needs by contacting our office.
6. **Friends of Young Life** - These volunteers help out with special projects like registration at the Golf Tournament or preparing meals for leaders. If you want to help, but can only give small chunks of time at once, this is a good place for you. Call or email the office to let us know you want to be a "Friend of Young Life."
7. **Volunteer Administrative Work** - Help us do administrative work in the office. We can always use help with mailings, data entry, and other office tasks. Call or email the office to let us know you want to help in this way.
