## For Parents...

Be assured that we take your child's welfare seriously and that we want your child to have the best week of his or her life. Supervision at camp includes local adult leaders who "go through" camp with kids along with a property staff of over 40 additional adult workers. The overall ratio of adult supervision to kids is 1:7. Male and female housing is clearly defined, separated, and chaperoned. Student safety and well-being are our first priorities. If you have any questions, please visit our website at [asian.younglife.org](http://asian.younglife.org), call our office at (201) 674-7966, or contact any Asian Young Life leader. This is an amazing opportunity for your child, and we do not want your child to miss out!
