## Young Life Camp August 2 –August 10, 2008

**Here's the deal.** Frontier Ranch is nestled in the heart of the Rocky Mountains near Buena Vista, Colorado. Try your hand at rappelling, horseback riding, ridge runners, and a high ropes course. Feel the excitement of the water slide. Relax with a leisurely swim in the natural hot springs pool or lay around in the jacuzzi. Have fun playing a variety of sports and games including sand volleyball, basketball, and frisbee golf. Enjoy a candy bar milkshake at the snack shop or browse through the gift shop. Whatever you like, you'll find it at Frontier! The best thing is that you'll be doing this with hundreds of your friends and other girls and guys from all over the country!

**Here's how much.** \$800 for round trip bus transportation, whitewater rafting, insurance, lodging, all the activities and world-class cuisine.

**Sounds good, Can't afford it?** Wrong. We've got you covered (well, we're not paying for it—but we can help you get the money.) We want to work with you to make it possible for every student that wants to attend to be able to attend. Some students have even raised their whole cost of camp using various fundraisers. Request information if you are interested.

**Sign up Now!** Fill out the form and get it to a Young Life leader or send it to the Young Life Eastern DuPage office address at the bottom of the page with a **\$200 deposit** (made out to "Young Life") **ASAP!** The deposit is refundable up to March 15, due to other schedule conflicts. After that the deposit is non-refundable. Spots are limited, reservations accepted on a first come first served basis.

**A Word To Parents Concerning Young Life.** Young Life is an international non-denominational Christian ministry for high school students. Through personal relationships, weekly meetings, and a camping program, we seek to assist individuals making their way in a confusing world. We communicate the Christian faith in terms they understand. Our aim is to provide resources and an atmosphere in which kids can make intelligent decisions for themselves. Just in case you worry, everyone who goes is insured, and there is always a doctor at Frontier. There will also be adult leaders going at about a 1 to 8 ratio. Feel free to call anyone listed below.
